SF 30 Block 14 Cont'd:
Contract No. DAMT01-01-D-0150

A. The purpose of this modification is to redesignate the following mandatory users as nonmandatory users:

1. Effective July 6, 2002 the Army, Air Force, Navy and Marine Corp installations, Defense Contract Management Agency (DCMA) offices and contractors, identified in Appendices A and B of the contract, as mandatory users will be redesignated as nonmandatory users.
2. The contract arrangements for the low volume shipping sites having sometimes proven to be mutually unsatisfactory for both Eagle and the Government, those sites are being re-designated as non-mandatory users, by mutual agreement, and at no additional cost to either party.
3. In accordance with the performance work statement paragraph C.2.2.2, non-mandatory users may reenter the contract at a later date as mandatory users.
4. Section C, Performance Work Statement
 - a. Page 128 through 215, Appendix A Templates for activities participating- remove and replace with revised pages 128 through 139.
 - b. Page 216 through 224, Appendix B Shipping sites – remove and replace with revised pages 140 through 144.
 - c. Pages 145 through 224 are left intentionally blank.

B. The total estimated contract price remains unchanged.

C. All other terms and conditions, including contract prices set forth in the Schedule of Rates remain unchanged.
